"These are the best and most unique chips that I've tasted in recent memory."

#114: New Humbles Baked Hummus Chips: for your lunch box...

07/17/2013

Several members have been following me for years. Other members have nutritional value in hummus.

Speaking of and Feta and Natural Protein the best use

time.

Other Humbles flavors include *Garlic*.

What we liked:

Comments from the taste panel included "Wow - what a nice surprise! These are way better than I expected.", "Great light crunch and delicious savory taste", "These are the best and most unique chips that I've tried in recent memory.", "I can't wait to tell my friends about Humbles.", "These would be good alone, with sandwiches, hummus, dips, and more.", "I can't wait to try other Humbles flavors." "Who knew that I would actually love a chip with ingredients that include chick peas?!" and "Great balance of unique flavors in this baked hummus chip - I would seek these out."
